

THE STOLEN NECKLACE

ABOUT THE PROJECT

It is a creative writing Project based upon meeting new country and cultures through a collaborative story. We will travel to countries through a mysterious and funny detective story searching for the necklace which is stolen from eTwinning Museum. We will both search for the stolen necklace at the same time travel round the World and learn about other countries with our detective

AIMS

By this collaborative writing Project our aim is ,

To experience imaginary travel around the world and familiarize with Other country/culture and traditions

To make students' use their creativity and imagination

To develop a European citizenship spirit.

To raise students' motivation, creativity and artistic skills

To improve students' and teachers' use of ICT skills and web 2 tools

To develop students English language skills
